MINDBENDER

The bear-faced truth

"Been on holiday?" asked Tuffer.

"Mm, yes," replied Wimpish. "Spent a fortnight in a delightful spot, miles away from anywhere, as peaceful as could be. And would you believe it, whichever direction I looked in, I was looking north!"

"That reminds me," said Tuffer, "of my last holiday. On the very last morning I got up early, tramped 10 miles south, turned and walked 10 miles east, and then walked 10 miles directly north, and I ended up exactly where I started. And - would you believe it - standing by the front door was the biggest bear you have ever seen, so I shot it."

Where did Wimpish go for his holiday? And what colour was the bear that Tuffer shot?
