

CONTINUING EDUCATION

CITECT TRAINING SCHEDULE 2007

The following courses will be presented:

Citect HMI/SCADA Basic Configuration: 3-4 Sep, 1-3 Oct, 5-7 Nov, 3-5 Dec
 CiCode Fundamentals: 6-7 Sep, 8-9 Nov
 CitectSCADA Intermediate Networking: 4-5 Oct, 6-7 Dec
 CitectSCADA Advanced Configuration: 8-10 Oct
 CitectSCADA Reports: 11-13 Sep
 Ampla Performance: 12-13 Nov
 Ampla Client: 15 Nov
 CCE Examination: 30 Oct

Contact Jannine Fortune (011) 699 6600 or jannine.fortune@citect.com.

ENERGY TRAINING FOUNDATION SCHEDULE FOR 2007

10-14 September 2007:

- Certified Energy Management Training Course (CEM) in Durban

15-19 October 2007:

- Certified Energy Management Training Course (CEM)

16-19 October 2007:

- Energy Audit Training Course (EAT)
- Industrial Energy Management Training Course (IEMT)

25 October 2007:

- CEM and CMVP Award Ceremony and SAEI Banquet

Contact Christina den Heijer at cemanager@intekom.co.za.

ABERDARE TECHNICAL TUTORIALS

The South African Institute of Electrical Engineers (SAIEE) has accredited the power cables technical tutorial developed by Aberdare Cables for the Engineering Council of South Africa (ECSA) for CPD credit. A structured, full day presentation, the tutorial deals with cable types and applications, selection of the appropriate cables for the application and their correct installation.

PUBLICATIONS

BEARING DESIGN GUIDE

Brush Wellman, locally represented by Multi-Alloys, has developed an on-line guide for the design of bearings with ToughMet. The guide is limited to bearings less than 500 mm. The bearing design guide contains helpful links to additional information on ToughMet alloys.

AWARDS

2007 eta AWARDS

The eta Awards promotes the more efficient use of energy through a broad range of innovative programmes, and private and community initiatives. Co-sponsored by Eskom, and endorsed by the DME, the awards recognise and reward innovative thinking and practical application of efficient energy usage. There are six categories: Industrial, Residential, Commercial, Agricultural, Young Designers and Women in Energy.

Contact Charmaine Appenah at (011) 504 4000 or charmaine@bairds.co.za or www.eta-awards.co.za

CONFERENCES AND EXHIBITIONS

ENERGY EFFICIENCY AT WORK

The second SAEI Convention is set to be held in October. The following keynote speakers have been scheduled: Anders Nordstrom, ABB; Anton-Louis Olivier, NuPlanet; Barry Bredenkamp, NEEA; Charlie Bhurtun, University of Mauritius; Edward Chikuni, Polytechnic University of Namibia; Ernst Unken, CPUJ; Geoff Stiles, Marbek; Gustav Radloff, Energy Cybernetics; Henning Holm, Omnibus Engineering; Ian Lane, Energy Cybernetics; Jason Schaffler, Nano Energy; Tom Pringle, Masana BP; Mohammed Kahn, CPUJ; Paul Rodzianko, Greenfuel Technologies; LJ Grobler, North West University; Rochelle Chetty, Eskom.

Date: 25-26 October 2007
 Venue: Emperors Palace, Gauteng
 Contact Erika Kruger (018) 293 1499 or convention@saei.org.za

TECHNOLOGY INFRASTRUCTURE TO 2010 AND BEYOND

This three-day conference is hosted by IAC, local distributor of leading edge technology. The conference will focus on industrial communication and vision systems and is set to look at international trends. The first two days will consist of papers and case studies presented by international speakers from the consortium looking after the soccer stadiums as well as Bombela, Anglo Platinum, De Beers and Lonmin Platinum. The third day will have technology demonstrations and hands-on workshops.

Date: 8-10 October 2007
 Venue: St Georges Hotel, Pretoria
 Contact burg@iaccontrol.co.za

ROTATING MACHINES CONFERENCE

This conference, hosted by LH Marthinussen, will focus on the total cost of ownership of rotating electrical machines.

Date: 17-19 September 2007
 Venue: Kwa Maritane Bush Lodge Hotel
 Contact Marie-Louise De Kok at (011) 615 6722 or marie@lhm.co.za

A GALAXY OF SOLUTIONS

During August and September 2007, Honeywell will be hosting three Solutions Days around the country. Local and international experts will showcase value-based presentations with

technology booths available for more technical information. The aim is to highlight how various solutions and applications intertwine with each other and topics cover wireless, safety, industrial security, corrosion, training and development, knowledge management and customer support. The industries that will benefit include petrochemical, mining, metals and minerals, building security, oil and gas as well as plant and perimeter surveillance.

Dates: Durban, 27 August 2007
 Secunda, 30-31 August 2007
 Johannesburg, 3-4 September 2007

To register visit www.honeywellnow.co.za or call Julie Ann Brown on (011) 695 8000

CSense USER CONFERENCE

End-users from mining and metals, food and beverage, pulp and paper, chemicals, petrochemical and discrete manufacturing industries—from North America, Europe, Australia and Southern Africa—are presenting their CSense success stories at this year's CSense Users' Conference. An exciting range of packaged realtime applications will be launched at the conference. Announcements will also be made at the conference on global collaboration between CSense Systems and globally leading HMI vendors at corporate level.

This conference is a must for production managers, process engineers, automation and control engineers, potential solutions partners, consultants and other process industry professionals.

Date: 15-17 October 2007
 Venue: Leriba Lodge, Centurion
 Register on-line at www.csensesystems.com or contact Michelle Giammartini at (011) 454 0176

TIA USER FORUM

This ground breaking automation event will be hosted by Siemens SA. It is the 7th Totally Integrated Automation User Forum held. Attendees will gain insight into new technologies and experiences from Siemens, its partners and end-users. The forum incorporates the Cyber Junkyard tertiary institution competition.

Date: 22-24 October 2007
 Venue: Birchwood Conference Centre
 Contact Hentie Dirker on (011) 652 3664 or hentie.dirker@siemens.com

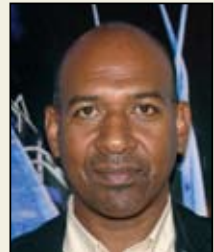

APPOINTMENTS

SEW EURODRIVE
 Peet Meyer has been appointed as sales engineer for the Middelburg area.

SEW EURODRIVE
 Given Mboweni has been appointed as electronics technician.

SEW EURODRIVE
 Logan Pillay has been appointed as national logistics manager.

SIEMENS POWER GROUP
 Dion Govender has been appointed as managing director.

APC-MGE
 Rodney Callaghan has been appointed as managing director, Southern Africa.

MOELLER ELECTRIC
 Bradley Whitaker has been appointed as branch manager, Durban.
