

The HellermannTyton

Mindbender?

Shaping metals

What is the minimum number of metals needed to form an alloy?

Solution to June 2007 mindbender

Subtle subtraction

The correct answer is FIVE.
The puzzle says that 'all but five of them flew away', so 20 flew away and five remained.

Winner

JG Whittle, Toyota SA Motors, Isipingo Beach.

Competition rules:

Answers must be written in block capitals on the coupon provided and entries must be posted, faxed or e-mailed to arrive no later than **3 September 2007**.

The first correct entry drawn will receive the Toptronic Test Instruments T190CB Circuit Breaker Identifier from HellermannTyton. No correspondence will be entered into and the decision of the organisers will be final.

No staff members of Crown Publications or their families may enter.
