

The HellermannTyton

Mindbender?

Water teaser

The Jandrell's were picnicking not far from the river bank – at the spot marked X. Joshua had gone to fetch some water in a can, but had forgotten his task and wandered off to pick some wild flowers at Y.

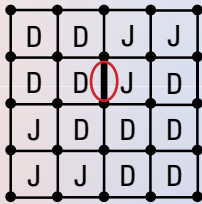

"Where's that water?" Mrs Jandrell cried out. "I can't make tea without water!" Joshua immediately put down the flowers and ran back to his mother. If Joshua took the shortest route from Y to the river bank, then back from the river bank to X, where on the river bank did he fill his can?
