Co-generation World Africa 2009: 15 – 18 September 2009, Sandton Convention Centre.

Co-generation symbolises growth and multiple opportunity for the sugar industry and will feature successful operations from around the continent and beyond.
Enquiries: Tariro Kwaramba on 011 516 4026.

SAEEC 2009: 12 – 13 November 2009, Emperors Palace, Gauteng.

The Southern African Energy Efficiency Convention (SAEEC) anticipates having 60 speakers and an exhibition hosting 65 companies from the energy sector. Companies will not only receive outstanding exposure, but will also be at the forefront of finding solutions to South Africa's energy crisis in Southern Africa. Register and pay before 30 June 2009 and your company will qualify for the early bird exhibition registration fee!

Contact Nikki Nel on 018 293 1499, 082 828 8546 or email nikki@saeec.org.za.
