**Energy Indaba 2010:
A time of change**
24 – 26 February 2010.
Sandton Convention Centre.
A time for innovation,
solutions and alternatives

is the event theme chosen
by the Steering Programme
Advisory Committee for
ENERGY INDABA 2010. The
flagship African energy
event is an annual event
on the Africa business
calendar with a specific
focus on exploring solutions
for a new energy future
for Africa. With the recent
ever increasing world-wide
attention to Energy, ENERGY
INDABA 2010 provides an
ideal platform to encourage
debate as well as creating
the stage for a networking
climate conducive for
companies and individuals
to interact. The event forms
part of the African business
calendar, which will promote
sustainable development
initiatives across the African
continent.
