Sales

SOLAR LIGHTING

Aberdare Cables
Solarflex Cables and Solardac Cables
BEKA Schröder
Full range of solar lighting
ACDC Dynamics
Full range of solar lighting
ARB Electrical Wholesalers
Complete outdoor range of solar flood lights, street lights, garden lights and bollards
Comtest
Fluke 438 for inverter efficiency
Electrahertz
Range of solar lighting
Eurolux
Full range of solar lighting
Fusecomp
Range of solar lighting products
Genlux Lighting
Range of solar lighting products
Magnet Group
Full range of solar lighting
Major Tech
Major Tech has launched a range of solar powered floodlights that do not need to be connected to an electricity supply
MCE Electric
O-LITE Integrated Solar LED Wall/Pole Light
Nordland Lighting
Range of solar lighting products
Oppl Lighting
Range of solar street lighting and domestic solar lighting
Philips Lighting
Full range of solar LED outdoor road and urban luminaires
Radiant Group
Range of solar lighting
Regent Lighting Solutions
Wide range of solar lighting products
Siemens
Voltage-sourced converters
Sollatek Electronics
iGlow solar lantern
Spazio Lighting
Full range of solar lighting
Superlume
Wide range of high quality solar products, including solar floodlights, solar wall lights and solar streetlights
Voltex
Full range of solar lighting
Waco
Full range of solar lighting

SOLAR (PHOTOVOLTAIC) ELECTRICITY GENERATION

ABB South Africa
Solar electricity generation
ACDC Dynamics
Full range of solar panels and all accessories for mounting and usage
ARB Electrical Wholesalers
Complete range of solar panels and inverters; specialists in cable and wire, MC4 connectors and racking; finance available for complete solutions
Cabstrut
Full range of solar panel mounting solutions
Electrahertz
Range of inverters
ExSolar Solar Solutions
Suppliers; installation specialists; service partners for Victron Energy; distributors of Fronius, Kaco Energy, Canadian solar
Fusecomp
Range of products for solar electricity generation
HellermannTyton
Design and manufacture of five-string PV and custom PV string combiner boxes, including optional monitoring; full range of accessories for installation and maintenance including UV and weather resistant cable ties and clips, labels, dust covers, PV connections, glands, lugs and ferrules; complete range of 1000 V insulated tools for use during installation and maintenance

SOLAR (PHOTOVOLTAIC) ELECTRICITY GENERATION

Magnet Group
Solar (photovoltaic) electricity generation
Phambili Interface
Full range of dc combiner boxes and accessories
Phoenix Contact
Solar electricity generation
Siba Fuses SA
Fuses for the protection of photovoltaic (dc) systems
Siemens
Solar power generation
Sollatek Electronics
Range of inverters
Switchboard Manufacturers
Collection panels
Voltex
Full range of panels, accessories and mounting solutions

SOLAR (PHOTOVOLTAIC) WATER PUMPING

ABB South Africa
Range of solar water pumps
ACDC Dynamics
Range of solar pumps and solar pump kits
ARB Electrical Wholesalers
Full range of solar water pumps
ExSolar Solar Solutions
Borehole pumps; solar pool pumps
Fusecomp
Range of products for solar water pumping
Siemens
Solar water pumping

SOLAR (PASSIVE) SPACE HEATING

Comtest
Fluke 438 for inverter efficiency

SOLAR WATER HEATING

ACDC Dynamics
Solcraft range of solar geysers as well as a range of SABS approved solar geysers
ARB Electrical Wholesalers
Complete range of solar geysers
Siemens
Solar water heating
Solid State
Range of solar geysers
Voltex
Solar water heating

SOLAR HEAT PUMPS

Comtest
Fluke 438 for inverter efficiency

SOLAR HYBRID SYSTEMS

ARB Electrical Wholesalers
Grid tie solutions; complete range of solar panels and inverters; specialists in cable and wire, MC4 connectors and racking; finance available for complete solutions
ExSolar Solar Solutions
Designers of fully hybrid solar systems
PowerMan
Solar hybrid systems
Siemens
Designers of solar hybrid systems
Switchboard Manufacturers
Inverter units

SOLAR BATTERIES

ACDC Dynamics
Range of solar batteries
ARB Electrical Wholesalers
Complete range of solar deep cycle batteries, lithium iron, flow cell technology
Comtest
A range of battery testers that ensure the batteries are in good condition
Electrahertz
Range of solar batteries
ElectroMechanica
Range of solar batteries
ExSolar Solar Solutions
Range of solar batteries including Victron Energy, FNB, Vision and Excis
Fusecomp
Range of solar batteries
Intellibus
Range of solar batteries
Magnet Group
Range of solar batteries
Radiant Group
Range of solar batteries
Siba Fuses SA
Fuses for battery installations (energy storage units)
Switchboard Manufacturers
Batteries for inverter units

AIR CONDITIONING

ARB Electrical Wholesalers
Complete range of industrial panel air conditioners and inverter and non-inverter air conditioners
Radiant Group
Full range of air conditioners
Sollatek Electronics
Automatic voltage switches, single and 3-phase; Voltage regulators
Voltex
Full range of air conditioners
Waco
Full range of air conditioners

CONSULTING AND INVESTMENT SERVICES

ARB Electrical Wholesalers
Energy efficient consulting and alternative energy solutions
Siemens
Wide range of industry support services

WIND ELECTRICITY GENERATION

Aberdare Cables
Windac MV Cable range
Phoenix Contact
Wind electricity generation
Siemens
Wind services and equipment
Zest WEG Group
2.1 MW direct-drive permanent magnet wind turbines for wind farms; 95 kW direct-drive permanent magnet wind turbines for distributed generation (including off-grid applications); range of electrical equipment and services for balance of plant electrical works

WIND WATER PUMPING

Comtest
Fluke vibration testers; laser alignment; stroboscopes

FUEL CELLS

ABB South Africa
Range of fuel cells
ARB Electrical Wholesalers
Complete range of hydrogen fuel cells

HEATING

ARB Electrical Wholesalers
Complete range of under floor heating, industrial pipe heating, building heating, swimming pool heating and portable domestic heating
Electrahertz
Range of heaters
MCE Electric
Onesto Oracle range of thermostat/underfloor heating wiring accessories; MCE temperature controllers and thermocouples
Radiant Group
Range of heaters
Siemens
Extendable control systems of modular design
Voltex
Range of heaters
Waco
Range of heaters

LIGHTING CONTROL

ABB South Africa
Full range of lighting controls
ARB Electrical Wholesalers
Complete range of App-based controls for dimming and colour rendering; motion control; domestic and commercial dimming modules; and day/night sensors
Aurora Lighting
Range of lighting controls
BEKA Schröder
Full range of lighting controls
Crabtree South Africa
Range of lighting controls
Electrahertz
Range of lighting controls
ElectroMechanica
Range of lighting controls
Fusecomp
Range of PV fuses
Genlux Lighting
Range of lighting controls
Intellibus
Range of lighting controls
Legrand
Switches, dimmers, time switches, switch sensors and home automation
Lumax Lighting
Full range of lighting controls
Magnet Group
Full range of lighting controls
Major Tech
A range of lighting automation. Switch on your lights with a remote control or mobile app from the comfort of your couch
MCE Electric
ONESTO Matrix, Oracle and Trinity; full range of switches and sockets
Nordland Lighting
Range of lighting controls
Philips Lighting
Extensive range of lighting control products and systems
Phoenix Contact
Range of lighting controls
Power Panels and Electrical
Full range of lighting control systems
Regent Lighting Solutions
Full range of lighting control systems
Schneider Electric South Africa
Full range of lighting control systems
Shuttle Lighting
Full range of lighting controls
Spazio Lighting
Full range of lighting controls and sensors
Voltex
Full range of lighting controls
Voltex Lighting
Full range of lighting controls
Waco
Full range of lighting controls

METERS

ABB South Africa
Full range of meters
ACDC Dynamics
Full range of meters
ARB Electrical Wholesalers
Complete range of prepaid meters, kWh meters and hand held test equipment
Comtest
Full range of Fluke clamp and digital meters

METERS

- Electrahertz**
Full range of meters
- ElectroMechanica**
Range of meters
- HellermannTyton**
Complete range of PV instruments for troubleshooting, commissioning and performance monitoring; wide selection of digital multimeters, broad selection of clamp meters, wide range of thermal imagers
- Magnet Group**
Full range of meters
- Major Tech**
The K6024PV can measure insulation resistance of PV systems with open voltages of 1000 V
- MCE Electric**
MCE panel ammeters, voltmeters
- Phambili Interface**
Full range of meters
- Phoenix Contact**
Range of meters
- Radiant Group**
Range of meters
- Siemens**
Extensive range of meters
- Voltex**
Full range of meters
- Waco**
Full range of meters

MICRO-HYDRO ELECTRICITY GENERATION

- ARB Electrical Wholesalers**
Complete range of micro-hydro electricity generation
- Zest WEG Group**
Francis hydraulic turbine generator sets (up to 70 MW); Pelton hydraulic turbine generator sets (up to 50 MW); Kaplan hydraulic turbine generator sets (up to 50 MW); spherical and butterfly valves; range of electrical equipment and services for balance of plant electrical works

VENTILATION

- ARB Electrical Wholesalers**
Complete range of window, wall and roof extractor fans and industrial ventilation fans
- Electrahertz**
Range of ventilation products
- Radiant Group**
Range of ventilation products
- Voltex**
Ventilation products
- Waco**
Ventilation products

WATER HEATING

- ARB Electrical Wholesalers**
Complete range of geysers, solar geysers, heat pumps and instant heat and industrial heating solutions
- Electrahertz**
Range of water heating products
- Magnet Group**
Water heating products
- MCE Electric**
DIN rail and mini rail geyser timers
- Siemens**
Broad range of water heating solutions
- Voltex**
Water heating products
- Waco**
Water heating products

OTHER

- Brother International SA**
Labelling
- Sollatek Electronics**
Voltage protection, conditioning and optimisation
